PROFESSIONAL SUMMARY :

Full Stack Developer skilled in **React.js, Next.js, JavaScript, TypeScript, Tailwind CSS, Node.js, Express.js, PostgreSQL, Prisma, and MongoDB**. Experienced in building responsive frontend applications, developing RESTful APIs, and designing scalable backend systems. Passionate about writing clean, maintainable code and delivering secure, high-performance web applications through modern development practices and effective team collaboration

TECHNICAL SKILLS :

Languages : JavaScript (ES6+), TypeScript, SQL, HTML5, CSS3, Python

Backend : Node.js, Express.js, RESTful APIs, JWT, Prisma, Firebase Authentication, Strip

Frontend : React.js, Next.js, React Router, Tailwind CSS, TanStack Query, Axios, Redux Toolkit .

Databases : PostgreSQL, MongoDB, Mongoose .

Tools : Git, GitHub, Postman, VS Code, Vercel, Render, Netlify .

Concepts : Responsive Design, CRUD Operations, Authentication, Authorization

PROJECTS :

Restaurant Management System:- [Live Demo](#) || [Github](#)

Developed a full-featured Restaurant Management System with separate dashboards for Admin and Users, designed to streamline restaurant operations and enhance user experience.

- Built responsive user interfaces using **React.js, React Router, and Tailwind CSS**.
- Implemented **JWT authentication**, role-based authorization, and complete **CRUD** functionality
- Integrated **Stripe** payment gateway and RESTful APIs using **Node.js, Express.js, and MongoDB**.
- Managed server state and API requests with **TanStack Query** and **Axios**.

GearUp (Backend):- [Github](#)

Developed a scalable backend for a career development platform with secure authentication, role-based access control, and RESTful API architecture.

- Built secure and scalable RESTful APIs using **Node.js, Express.js, TypeScript, PostgreSQL, and Prisma ORM**, implementing JWT authentication, role-based authorization, password hashing, and complete CRUD operations. .
- Designed a clean, maintainable backend architecture with reusable controllers, services, middleware, robust input validation, consistent error handling, and efficient database management through type-safe Prisma queries.

EDUCATION

B.Sc. in Computer Science & Engineering

Northern University Bangladesh(2026 - Present)
